Jesus's birth was the best thing ever to me. Did you know, Jesus never sinned before. He is our savior because he died on the cross to save us from our sins. He is the most important person ever. That is why I like Jesus's birth on Christmas day. That is what Christmas means to me. Jesus's birth, gifts, and visiting family are very important to me at Christmas time. That is what Christmas means to me.

Christmas means a lot of things not the food or the presents but family. I spend time with my family not so often but Christmas my family gets together on Christmas.

I mean I love the food and stuff but it doesn't feel right. It doesn't feel right because not everybody has food and family but a lot of good things happen on Christmas. Some people get treated bad but some people get treated good. It's weird but my favourite Christmas food is ginger bread. With no more than 700 pounds of frosting.

I love getting presents well it depends what type of presents. Like I already have an Xbox One/S. I'm getting a new one this week or on Christmas not really sure. Not that surprising but I'm thankful for what I got. I'm also getting a new iphone 11 for Christmas.

Jesus's birth was very good. You know that he was the only man who stepped on the earth who did nothing bad. But since Jesus told everybody he was the son of god. They didn't believe him so they put him on a cross and he died. But then he rose from the dead and went back to heaven and the day was on easter. He went back to heaven so that is mainly it.

This is what Christmas means to me. Christmas is the best time of the year. Christmas is the best time of the year because family that is why Christmas is the best time of the year. By Mckenley Stormer

What Christmas means to me is spending time with my family. It also means to me having fun. It also means to me Jesus.

What Christmas means to me is Jesus because Jesus is always looking out for us. Jesus is also important because he can help us. Jesus is a very good person. I will always trust in Jesus no matter what. I think everybody should trust in Jesus in my opinion. Jesus made ev-erything so we should be thankful.

What Christmas means to me is spending time with family because they could respect you and you could like that. Your family might even be a lot of help. They could be fun to play with a lot. It is good to see your family because you could learn new stuff. It is good to see your family because you might have not seen someone in your family in a long time.

What Christmas means to me is having fun because Christmas is a time of year to have fun. You should have fun because it is Christmas and that is when family is here. You should have fun because you could get more energy on Christmas. You should also have fun like playing tag and get exercise and you might not know it. You should also have fun because you might be working too hard and you will need a break.

What we do on Christmas is we celebrate Jesus's birthday. We eat all of the food and we share it with our family and friends. We decorate the tree and we put a star on it and hang up the oredements. We spend time with our family while we eat our food.

First, We get out our stocking's down and get our candy out of our stocking's. We all look at our stuff and we say thank you to mom and dad. We jet shoes from them and other stuff from them. We jet make up from them and hare stuff to. We jet big bows from them and pony tales from them.

Next, We jet color and pencil and a color book. We jet a word search's and some books with chapters. We jet some sweaters and a coat. We jet a computer and a tabled and a smart-phone. We all jet a tooth brush and a some food.

We eat cholchat pie, brownes,preattes and we jet some glasses. We eat lunch in the living room. We play with our own stuff. We jet a hare straightener and we use it. We do our hare in different ways on Christmas.

Last, We play house and school with our own stuff. We got food left over and we all eat it all. We jet our pgames on and we brush our teeth. We give dad and mom a huge and we say we love you. We will wake up in the morning and play with our stuff again.

The three things about what Christmas means to me are Jesus's birthday. Also spending time with family. And finally it is also food.

Jesus's birthday is what makes Christmas well Christmas. So part of what Christmas means to me is Jesus's birthday. And without Christmas there is no meeting with family or food or presents. Christmas is a holiday because of Jesus's birthday. That is why Jesus's birthday is part of what Christmas means to me.

Spending time with your family is the best. When you spend time with your family on Christmas you can play sports. You can also eat a lot of food. Finally you can have fun with your family on Christmas. That is why spending time with your family is part of what Christmas means to me.

The third and final thing of what Christmas means to me is food. Me and my family really enjoy Christmas food. We eat cookies and gingerbread. We also eat flan and cheesecake. That is why i like food for Christmas.

The three things I like about Christmas are Jesus's birthday and spending time with family. And eating lots of food. Those are the three things i like about Christmas.

Eating good food. Having a good time. And spending time with my family

Eating good I eat steak gravy pork chops and mashed taters. For desert milk cookies and cake and cupcakes. Then we give the scraps to kane. Then we take a picture in front of the tree. And that's my paragraph eating good food.

Having a good time. My dad and my grandpa watch football. Me and my cousin play Nerf four war. My mom and kaly make gingerbread cookies. Why my friend cason and hadley are riding four wheelers.

And spending time with my family. That night everybody spent the night at my house. That morning we rippet open the present and their was gift's everywhere. Then we played with them for about 1 hr. Then we all went to bed.

I liked the part when we made cookies. I liked the part when we play one on one with my cousin and it was 9 to 0. I liked it when we played tag. I liked it when we played dodgeball. And that's how i spent my Christmas.

What Christmas means to me is Jesuse Birthday. What Christmas also means to me is my Family and my friends. Those are somethings that Christmas means to me.

We Celebrate Christmas because it's Jesus Birthday. We have a whole day to celebrate him. We have ham, presents, brownies/cookies to. We also have a great day about him with all our families together we celebrate him. We all love to celebrate him with Christmas.

Me and my Family first always unwrap presents at 8:00 to 9:00 in the morning. Second we watch a Christmas movie get dinner in the oven and into

the crockpot. Third dinner is done and we eat dinner after dinner we eat at least 5 cookies. Then we go to my grandmas we also have dinner so we are so stuffed like a Turkey. Last I go home and watch another movie with my family.

When I watch another movie with my family after I go to my friends Rikki's house we play Barbies,pretend to make snow angles when it doesn't snow. Me and Rikki play dress up with her dolls and we also dress up. Then me and Rikki put our coats on and jumps on her trampoline. Then we go inside a have hot chocolate. Last Rikki's parents bring me home and me and my family watch another Christmas movie.

Finley I go to bed and watch tv with sisters. When I wake up in the morning I wish it was Christmas agian. That is what Christmas means to me.

What Christmas means to me is Jesus's Birthday. Another thing Christmas means to me is seeing and having fun with my family. The last thing Christmas means to me is giving presents to other people.

Jesus's Birthday is very special. It is special because Jesus is the son of God and God created the heavens and the earth. We all have sinned and that is why we need Jesus. Jesus is the messiah and he loves you and me. So that is why I celebrate Jesus's Birthday on Christmas.

Seeing and having fun with my family is awesome. We open presents together and we give each other gifts. We talk and laugh and we play games and it is fun. My family is kind and nice to me. We eat food and my aunts, grandparents, and parents make SO DELICIOUS FOOD!! I love the food that my family makes. So that is why I like to see and have fun with my family on Christmas.

Giving presents to other people is fun. I like watching them open the presents and see if they like it or not. Most of the time they like it so that makes me feel warm inside. When they give me presents if I do not like it I act like I like it but that usually never happens unless I feel a little bit awkward when people are looking at me every second and taking pictures. Mostly I just like to give stuff to people and then they say thank you and all of that stuff and I also say your welcome. I give them stuff like cars and money. So that is why I like giving presents to people on Christmas.

So that is why I celebrate Jesus's Birthday. That is also why I like seeing and having fun with my family. So that is also why I like giving presents to people on Christmas. So that is what Christmas means to me.

Christmas means to me spending time with family, sharing love around the world, and being thankful for all the presents.

I like spending time with family it is fun because we eat really good food at breakfast, lunch and dinner. After we eat breakfast, we open presents. After we open presents we play with our toy or stuff we got for a little bit. After we do all that we get on our coats and boots and then we go and play in the snow if there is any. Then when mom or grandma calls in for hot chocolate. I love spending time with family.

I like sharing love because it makes me very happy. I share my love by sending cards and writing good things about them. Writing cards to other people makes me happy. My family sends cards to the ronald mcdonald house and to the children's hospitals. Everyone in my family sends cards.

Every year my family has to buy a present for everyone that is coming to the party. Every year we do a Christmas party at someone's house. But every year we go to a different house. Every year everyone gets at least 3-5 presents from one person. there are at least 10-15 people at the party.

That is what Christmas means to me and that is what I do on Christmas. I love Christmas.
