1 John 5 Good News Translation (GNT) Our Victory over the World 1 Whoever believes that Jesus is the Messiah is a child of God; and whoever loves a father loves his child also. 2 This is how we know that we love God's children: it is by loving God and obeying his commands. 3 For our love for God means that we obey his commands. And his commands are not too hard for us, 4 because every child of God is able to defeat the world. And we win the victory over the world by means of our faith. 5 Who can defeat the world? Only the person who believes that Jesus is the Son of God.

* "Sep 26, 2018 - The Migratory Bird Treaty Act makes it illegal to take, possess, import, export, transport, sell, purchase, barter, or offer for sale, purchase, or barter, any migratory bird, or the parts*, nests, or eggs of such a bird except under the terms of a valid Federal permit.

Comparing above to abortion laws, seems odd (to say the least) to me.

I'd like to ask your readers: Do you stutter? Do you know someone who does? Most people do. More than three million Americans and 70 million people across the globe stutter, but sadly it is still quite misunderstood. Help us change that.

May 13th-19th is National Stuttering Awareness Week. To support the stuttering community, the non-profit Stuttering Foundation launched a new website with easy-to-find information like articles, brochures,

magazines, videos, research reports and counselor referrals, with a new laptop- and mobile-friendly interface.

The Stuttering Foundation has accurate, trusted information about stuttering and free help on its new website--StutteringHelp.org.

Please take a look and tell a friend.

4way: A Friendly Stop Cont'd from pg. 1

made?
<KF> Yes, there's nothing frozen.

Let's talk a little bit about your earlier days. You had bars before the 4 way stop?

<BF> Yes, in the seventies, Kenny would come home from iron working and go straight to the bar and close it. He used to leave the motorhome out back to sleep in. One night, he got ready to come home and couldn't find it!

<KF> The oldest boy took it with his girlfriend and went to Springfield to the fair! <both laugh>

That was at the Lounge?

<BF> No, that was at the Railway Inn. The Lounge was the second bar we had.

You had the Lounge at the same time you had this?

<BF> No, we had the Lounge just before here. We had it while we were building this.

<KF> We transferred the license to this place.

<BF> After they moved the house, we lived in a camper out here until the apartment was ready. We took another house in trade for the house that they moved, and I had my choice between the apartment or the house that we took in trade.

Are there any other stories you would like to share?

<BF> One time, during the night when we were open 24 hours, we were making donuts and a kid came in with his hands in his pockets like he had a gun and demanded all the money in the register. Doris Akers, who was working in the restaurant, just gave it to him, and Sue Pruitt came out and said, "Give me that!" and took it away from him! <laughing> The kid took off running. She knew who he was. He had a thing over his face, but she told him "You don't want to do that," and took it away

from him. Another time, the circus was out here, and a baby elephant came to the front door and Kenneth fed him donuts!

Is there anything else that you would like to add?

<KF> Just that I'm ready for someone to walk through the front door with his check book out! <smiles> I'm ready to be able to sleep in, if I want to.

<BF> Somebody, some day will be ready to take this over. We want to do what we want to do. We've been here a long time. We won't know how to buy groceries! <chuckles>
