EDP Renewables' Prairie Queen Wind Farm in Allen County, Kansas has bolstered the local economy during construction, increasing sales tax revenues by more than **22 percent** compared to recent years.

It's been unbelievable. I would guess that over the past six months, we've seen a **30 percent increase** in business across the board.

- Kirk D., owner
 Chancy's Grill and Shake
 Moran, Kansas

The Harvest Ridge Wind Farm will create up to 250 jobs during construction and 8 to 10 permanent jobs to operate and maintain the wind farm.
