CEDAR CREEK DENTAL

Announcing...

Dr. Eric von Hoven is excited to announce the addition of Dr. Eric Kosel.

Dr. Kosel comes to Cedar Creek Dental with 17 years of dental experience. His father was a dentist and Dr. Kosel pursued his Dream of following in his father's footsteps graduating from Southern Illinois Dental School in 2002. They worked side by side for nearly half of his 17 years practicing in Northern Illinois. Dr. Eric Kosel took a full-time position as a Director at the St Louis Dental Education Clinic with A.T. Still University's Dental School. Dr. von Hoven, also an instructor at the dental school, had the opportunity to see firsthand Dr. Kosel's excellent clinical skills and compassionate demeanor. Dr. Kosel is a 3rd generation dentist who is focused on comprehensive care to meet all the needs his patients may have, including orthodontics through Invisalign treatment. He has been an Invisalign Certified Provider and active in Invisalign continuing education since 2003.

After working together on various volunteer projects at the Dental School, Dr. von Hoven learned Dr. Kosel had interest in finding an avenue to spend a day or two a week in a dental practice providing patient care. As Cedar Creek Dental continues to grow with new patients Dr. von Hoven knew bringing Dr. Kosel into his dental practice would be a great fit. Dr. Kosel has spent time observing at Cedar Creek Dental and is very impressed with what an amazing relationship the practice has with their patients and can't wait to become a part of it all. Dr. Kosel is active in various study clubs and maintains many professional memberships and certifications. He enjoys spending free time with his wife and children and traveling. Dr. Kosel will be seeing patients at Cedar Creek Dental on Fridays starting in July.
