 What a beautiful place for you to call home! On this 5 acre tract, in a rural subdivision, with county water, sits a 1200sqft. 16'x80' 2008 custom built 3bed/2bath mobile home and a 50'x90' post frame building. Also on the property is a 10'x12' greenhouse. Lots of trees such as pecan, oak, pear, weeping willows, and giant evergreens line the back of the yard for windbreak. This could also be classified as a mini farm as animals are allowed. But wait, there's already a fenced back yard with a chicken coop! Don't miss this opportunity! Call Wayne or Adam for a private showing.
