Award-winning sounds invade Cotulla

TERESA VILLARREAL

A festival without music is like a donut without the glaze. Boring!

Fortunately, that word could never be used to describe the La Salle County Fair. With an outstanding musical line-up and great performances set, this year's Hog Fest plans to provide a thrilling musical experience.

Visitors can come on out and watch the festival come alive as locals and out-of-towners alike flock to Cotulla to enjoy the excitement of outdoor live entertainment.

The weekend will kick off with energetic musical performances given by Grammy Award-winning Norteno Artist, Ramon Ayala, and Tejano Music Award winner Jaime De Anda y Los
