

- 2019 PARADE -

40 years of LSCF parade fun

TERESA VILLARREAL

Kool and the Gang sing about it all the time... Celebration! That's exactly what's going to happen at this year's La Salle County Fair parade. Get ready for some interesting float designs and costumes that will certainly make everyone in attendance smile with cheer.

Organized by the Cotulla-La Salle County Chamber of Commerce, this event showcases the local law enforcement officers and first responders, students and civic groups, military veterans and hometown representatives, as well as local business owners and members of the community. Over time, this annual parade has grown in number and the support grows just as large. Spectating this event is genuinely entertaining as the local townsfolk, family, and friends unite for a fun morning of decorative floats, music, and plenty of candy to catch with the kiddos.

The parade will be in full swing at 10 a.m. on Saturday March 9 with the parade float judging happening as early as 8:30 a.m. We wish all of this year's participants the best of luck!

This will be an energetic and fun affair that should be shared and enjoyed by all. Come prepared and find a sitting spot! Don't forget wear something comfortable and bring an umbrella if you find the need... but most importantly, bring yourselves!
