

- THE CHILDREN'S PET PARADE -

Woof, woof...raise the ruff!

TERESA VILLARREAL

Take a "paws" for the cause and come on out to one of the cutest shows offered at this year's 40th annual La Salle County Fair!

Children from the local community are glamming up their little furry pals to showcase them in the annual "Pet Parade". This event allows children and their families to proudly show off their pets in fashion and style. Some wear superhero costumes while others wear snazzy, stylish clothing, and it is certainly entertaining to watch them on the runway.

The event is scheduled to happen on Thursday evening, March 8 at 4:30 p.m. for registration and 5:30 p.m. for showcase.

Open to children of all ages, this light-hearted parade is favored among many. With a Master of Ceremonies running the show, these kiddos bring their beloved pets onstage for show and to demonstrate the tricks they can perform!

Animals such as cats and dogs, to goats, and even hamsters are dressed up in playful costumes for a chance to win trophies for Grand and Reserve Champions.

Regardless of it being a contest, everyone is a winner at having the chance to enjoy such a creative and amusing show!
