

Celebrating 40 years of Wild Hog fun!

TERESA VILLARREAL

Time certainly flies when you're having fun... forty years of fun! Preparations for the 2019 La Salle County Fair are underway and the outlook is promising.

The theme for this year is the culmination of four decades of fun, family, rodeos, and a wild hog cook-off. Cotulla, Texas has been enticing local town-folk and visitors from far and wide to come to out and celebrate a fun-filled weekend. With forty years of practice, this event gets bigger every year, and is now widely popular within the state of Texas.

Pet lovers will have a great time watching our furry pals compete and dress up in

the annual pet parade. Friends and family will be supporting our local students as they participate in the science fair and junior livestock show competitions.

Not just that, but you can surely bet that there will be plenty of laughs and smiles to share with this year's Wild Hog Olympics. Make sure you bring your phones and cameras for these games because they are a must-see!

For the "foodies" who love attending the fair for its scrumptious goodies and snacks, you won't be disappointed. With food contests, vendors from all over Texas, and the ever-popular "Wild Hog Cook-Off" samples, there are plenty of delicious fares to enjoy. Local folks, along with people from all across Texas, come out to enjoy tasty samples cooked
