

- THE LA SALLE COUNTY FAIR FOOD SHOW -

Tasty Delights Abound

TERESA VILLARREAL

A veritable feast for the senses, the ever-popular Food Show has returned.

Annually held in the Exhibition Hall during the fair, this show welcomes anyone who loves to create a delicious dish.

Whether it is a recipe handed down for generations or a new culinary creation, this contest is sure to please the "foodie" in us all.

This event has been attracting more participants and viewers every year, and it has grown to include various styles of home cooking from breads and desserts to

canned goods. Judging begins Friday, March 8 from 10 a.m. to noon. All foods are labeled anonymously, after which the winners' ribbons are

attached.

The public is then allowed to view the entries and to partake in the auction. The food show helps

generate funds to help local students, and to assist in the future development of the fairgrounds with the food entries in adult, youth and canned goods categories, and the food auctions.

All Grand Champion and Reserve Champion winners, along with the top four Blue Ribbon winners in each division will be auctioned Saturday, March 9. All other blue, red, and white ribbon entries will be priced and sold starting Friday, March 8, after the event.

If you love good food, this delightfully tasty food show will certainly find its way to your heart... straight through your stomach!

- 2019 COOK-OFF FAREWELL -
