Partin, who last year won the junior high district championship in the 800, 1600 and pole vault. The Lady Pirates finished third as a team at last year's District 17-1A meet with 78 points. Coach Shannon Buffe is hoping for a similar finish this spring. "We have everybody back but one from last year so finishing in the top three teams at district should be another good goal for us," Buffe said. "We should be strong in the distance events. I look for Linda, Rianne and Sydney to go to regionals. We're looking forward to a great season." Sophomore Danielle Goehmann returns after qualifying for the area meet last year in the pole vault. She also is scheduled to run the 3200 and 800. Sopho-

more Alyssa Hurst gained valuable experience last year as a freshman in the 100 hurdles and 300 hurdles. Freshman Mackenzie Morgan is scheduled to enter the 3200, 1600 and shot put. She finished second at district last year in the junior high 2400. Yaire Hurtado, another freshman, will enter the shot put and discuss. "We don't have enough numbers to enter all three relays," Buffe said. "We'll try to put together one good relay -- probably the 800 relay -- and choose among Sydney, Linda, Rianne, Danielle and Mackenzie." The Priddy girls' and boys' track teams have the same meet schedule this year.
