

Proudly Supporting All of Our Area Teams

Surgical Excellence & Prompt, Compassionate Care.

R. Adams, MD
General Surgeon

Don't let illness or injury hold you back from a healthy lifestyle. Offering laparoscopic surgeries from appendectomies to knee scopes, outpatients and inpatients are in caring hands with Hamilton General Hospital's surgical specialists.

General surgeon, Ryan Adams, has extensive knowledge and training and treats a broad range of conditions that require surgery at Hamilton General Hospital.

Orthopedic surgeon, Keith Ellison, performs arthroscopic knee and shoulder surgeries and treats traumatic orthopedic injuries such as fractures, dislocations, and sprains. He is skilled in hand surgeries, advanced procedures including knee replacement and other joint surgeries.

When you need a surgical procedure, our surgical suite is here for you.
