JAREN GREEN

Jaren Green's impact as a Wildcat goes beyond the walls of Greene County High School. Jaren was elected as FFA president, and he has spent countless hours working with the FFA organization. Jaren's personality is contagious, and he loves making others smile. His dedication to his faith has been a large part of his journey as a Wildcat. ABBY SMITH

Abby Smith has the voice of an angel. Not only can she sing, she has the most patient voice. Abby's influence in the tutoring lab at GCHS has made it extremely successful. She has spent countless hours tutoring and encouraging students to help them find success. Abby has also been involved in extracurricular activities, such as Beta, where she had the opportunity to showcase her talent in front of thousands of people from across the United States. Abby's influence on Greene County High School is immeasurable, and she will certainly be missed in Wildcat Nation.

HANNAH BROCKWAY

Hannah Brockway has been a great asset to Greene County High School over the last four years. He was always patient and gave many hours of his valuable time to help students over the course of his high school journey. Cam will be missed greatly at GCHS.

DYLAN MILLER

Dylan Miller is one of the most hard working individuals you will ever meet. If you drove by GCHS on the weekends, you could probably see Dylan's truck at the batting cage working on his swing or working on improvements at the baseball field. If teachers needed something done, Dylan was the one for the job. He never said no, and he completed any task that was thrown his way with respect and integrity. Dylan's faith has been at the forefront throughout his time as a Wildcat. Many times he could be heard praying for his classmates at a football game. His moral character and dedication to all things Wildcat have left an incredible legacy at GCHS.

GRANT KEYS

Like many of his classmates, Grant Keys spent a great deal of time tutoring students. Grant was always willing to step in when he was needed. Many mornings, he arrived to school early to tutor students who did not have an opening in their daily schedule. Even when he was scheduled to leave early, Grant would stay to tutor any student who needed help. In addition to his tutoring, Grant could be seen at most school events or activities. He traveled long distances to cheer on the Wildcats from the stands. Grant is kind and considerate, and he is an excellent role model for young boys. He left his mark on Greene County High School, and Wildcat Nation will forever be grateful.

Hats off to the 2020 graduates for a job well done! We wish you all the best as you begin the next chapter and work toward your future goals.
