

# Harrah Senior Center delivers

*Dedicated staff, volunteers ensure seniors don't miss lunch*

Volunteers have been busy making sure Harrah seniors get their lunches despite them not being able to visit the senior center. For more information on the activities at the Harrah Senior Center call the center at 405-454-3586. The center is located at 19791 Summers Ave.

## Thanks CNP Child Nutrition staff

The Choctaw-Nicoma Park child nutrition staff has been providing around 600 breakfasts and 600 lunches daily during this pandemic. Staff has worked tirelessly to ensure these meals are of good quality and meet the federal guidelines for a reimbursable meal. They begin each day at 6:00 a.m. and don't leave until after noon. It is much more difficult logistically to prepare sack meals for distribution than to provide serving line meals, not to mention hauling the meals to different site locations. Thank you so much for all you do for our students! Thank you to all of our CNP Heroes! You make our lives so much better!
