

## Valerie Price

Valerie Price, of Choctaw, is a full time Charge nurse in the Labor and Delivery unit at St Anthony's raising two young boys, being the best wife all while in school to become a Nurse Practitioner.

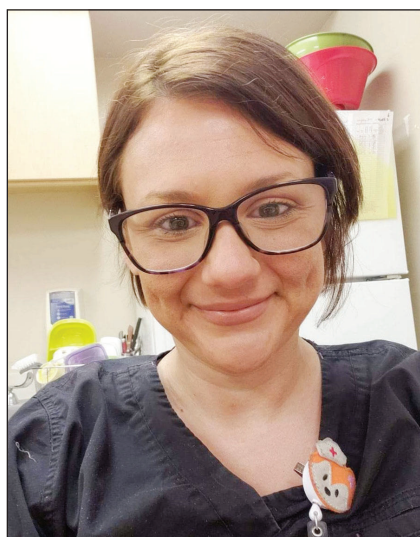

## Stephanie Davis

My daughter Stephanie Davis, who is a Choctaw resident, works at OU Medicine as a Nurse Tech but she is still right there with the Nurses and Doctors helping take care of everyone's loved ones in this time of quarantine. I'm so proud of her and her loyalty to her job!

**Josh Burnett** is a 23 year old husband and father. He works full time as a nurse tech for Alliance Hospital at night, and also attends nursing school full time at Rose State. When it comes to caring for patients, Josh puts his full heart into it no matter what. He really enjoys caring for others, and doing everything he can to help those that need it. Josh really is a hometown hero.

## Jessica Adair

Jessica Adair is a Mid-Del native who graduated from the nursing program at Rose State College in 2014. She works at OU Children's as a labor and delivery nurse.
