## PROUDLY SERVING OUR HOMETOWN HEROES SINCE 1937

### Curtis Brewer Papa Love

Curtis Brewer "Papa" is an essential hometown hero for his family. He is watching the kiddos while others go to work as an essential worker and a nurse. He helps with their distance learning, cooks them breakfast and lets them be little. When they grow up, they're going to remember this time with him...not social distancing.

### Ashlen Woodall

Ashlen Woodall she was a senior at Mustang High School and going to cosmetology school as well. She is a hard-working Target employee at the Yukon store. Since school has been dismissed early, she is now working 30 to 40 hours a week trying to keep our store stocked and is now working in customer pick up making sure everyone is getting the groceries they order online. Her family is amazed by her everyday getting up going to work and praying over everyone throughout this whole ordeal. She is a beautiful person inside and out.
