## Midwest City going virtual for the holidays

**Tree lighting ceremony will be livestreamed Dec. 1**

**By Jeff Harrison**  
Staff writer

Midwest City is going virtual for the holidays.

In an effort to prevent the spread of COVID-19, Midwest City will be using a phone and internet to spread holiday cheer instead of traditional in-person events.

The community will kick off the season with Light the City on Dec. 1. Mayor Matt Dukes will flip the switch to light up Charles J. Johnson Park at 6:30 p.m. Residents and business owners are encouraged to turn on their holiday lights simultaneously to "Light the City."

The community is invited to watch the Light the City live on Facebook. The Midwest City Parks and Recreation will be livestreaming the event on their Facebook page.

Midwest City will also be hosting Calls with Kringle on Dec. 11-12. Santa and a few elves will be setting up shop in Midwest City's City Hall to make calls to children in Midwest City ages 3-10. Calls will be from 10 a.m. – 7 p.m.

To sign up, visit [www.midwestcityok.org/parksrec/page/calls-kringle](http://www.midwestcityok.org/parksrec/page/calls-kringle).

The Calls with Kringle replaces

will replace the Cookies with Kringle event.

Midwest City canceled its Holiday Lights Spectacular this year due to ice storm damage. The city hosts the drive-thru holiday light display at Joe B. Barnes Regional Park.
