

**Dr. Leslie Williams,
Family Medicine**

Dr. Leslie Williams has been with SSM Health St. Anthony for six years. She moved to Mustang because it's the childhood home of her husband, a local high school teacher. Her favorite part of her job is building relationships with her patients. She enjoys spending time with her children and baking sugar cookies with royal icing designs. She is grateful for her colleagues working on the front lines to fight the pandemic.

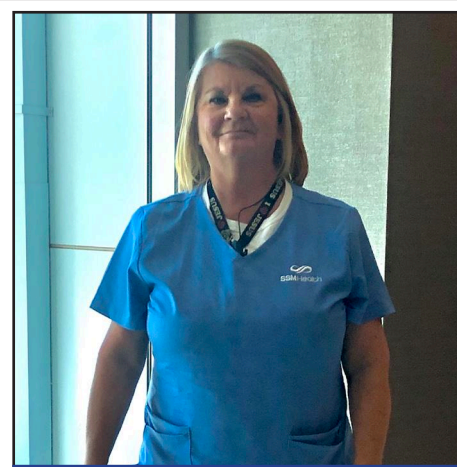

**Leila Imoe,
Medical Assistant**

Leila Imoe is a Medical Assistant with SSM Health Medical Group. She loves getting to know the patients she cares for in the primary care office where she works. Outside the office, she loves spending her time with her husband and their four children, Colton (13), Madilynn (9), Aubrey (4) and Abigail (3). She's an avid roadtripper who has traveled as far as Niagara Falls by car.

**Lisa Smith, RN,
Emergency Department**

Lisa Smith, RN works in the SSM Health St. Anthony Healthplex emergency department and loves being able to care for people in the community where she lives. She has been a nurse for 29 years. During her free time, she enjoys traveling, off-roading in her Jeep, playing video games, baking and spending time with her two beagles, Bella and Sadie.

**Debbie Bacon,
Respiratory Therapist**

Debbie Bacon is a respiratory therapist who has cared for SSM Health St. Anthony patients for nearly four decades. She loves her job and the ability to help people feel better. In addition to working at the SSM Health St. Anthony Healthplex in Mustang, she loves movies, playing golf and spending time with her Jack Russell Terrier and cats. Her motto is, "I put God first, and everything works out great."

Honoring Our **Heroes**

Senator Lonnie Paxton would like to thank our first responders, healthcare workers, educators and food suppliers.
