

Alvin and Amber Short ~ A Family Affair ~

Alvin and Amber Short, husband and wife, are both paramedics. Amber works for EMSA and Alvin works for Pafford EMS. They went from working together, to becoming partners on the ambulance, to becoming husband and wife almost 20 years later. Neither of them would have ever imagined this, but they serve a God who has plans of His own. For this, they are grateful. The Shorts have been married about a year and a half.

Harris Oilfield Service

Austin Harris, of Mustang, is owner and operator of Harris Oilfield Service. In a successful business every worker is essential. In a successful economy every business is essential. In a health crisis our medical workers are the most essential.

"I'm blessed to be considered "essential." Salute to the medical workers, prayers for all affected," Harris said.
