# We're Here To Serve You

The Hancock County Public Library provides a variety of opportunities for people of all ages! We are open for business and are also offering Curbside Pickup and Porch Drop Off in order to serve you safely during the COVID-19 pandemic! We have a limited number of computers available in our buildings in case you need to complete your 2020 Census or some other need.

You can access so many free services by having a library card from the Hancock County Public Library! Your card works at all three locations, too. We work hard to provide services that our community wants and needs. We still provide books in regular print, but we also offer books in large print, for those who prefer the larger letters. If you prefer to use your mobile device, such as a tablet, iPad, iPhone, or Kindle, we provides free access to a large selection of titles that

you can download to your device. OverDrive, Hoopla, and RBDigital are available free. The titles are available as audio book (where you listen to someone read the book to you) and ebook (where the book pages are on your device and you read yourself, swiping the screen

to advance to the next page), and we're here to walk you through it, anytime!
