

# Advanced Heart Surgery, Right Here, Close to Home.

Skilled and experienced, the heart surgery team at Owensboro Health uses the most advanced surgical techniques to address a variety of heart issues. Our team features Kerry Paape, MD, who has led heart programs in Florida and Louisiana, and Fady Wanna, MD, a surgeon with nearly 30 years of experience. Together, they are helping Owensboro Health improve our region's health by providing exceptional surgical care for heart patients, right here, close to home.
