

MISSING A TOOTH?
LOOSE FITTING DENTURE?
Dental Implants can help you!

FREE IMPLANT
CONSULTATION
(INCLUDING 3D XRAY)

\$699 VALUE

EAT WHAT YOU WANT, NOT JUST WHAT YOU CAN

Dental Implants Replace Missing Teeth

- Preserve Healthy Bone Structure
- Act like natural teeth
- Prevents neighboring teeth from moving
- No dietary changes necessary
- Prevent Sunken-in features

Dental Implants Keep Loose Dentures in Place

- Implants anchor dentures to prevent slippage
- Improves chewing and speech
- Dentures snap onto the posts

Bluegrass Dental provides cosmetic and general dental services including cleanings, fillings, crowns, veneers, extractions, dentures, and implants.
