*Our Priority
 Is You*

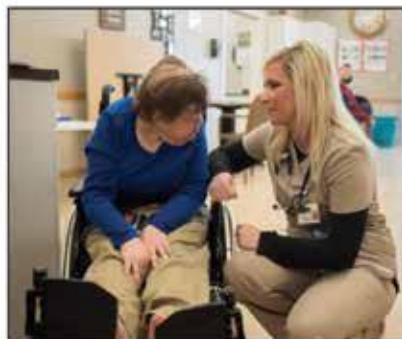

*We offer the top designer
 names in the wig industry.*

At The Cottage Wig Shoppe, our priority is to provide a warm and inviting atmosphere where women suffering from the effects of medical related hair loss, alopecia, or thinning hair can come in and be treated to a no pressure atmosphere. The Cottage offers the top designer names in the wig industry and quality that is unparalleled. We offer a full line of designer synthetic wigs, human hair wigs, hair extensions, toppers, hats, turbans, and care products. In addition to our normal business hours, we will also be glad to meet with you at your convenience by free private appointment. Come by or give us a call today.
