

Horizon Adult Health

Helping You Help Your Loved Ones

Are you one of 700,000 Kentuckians facing the daily stress of serving as a caregiver for a family member?

Horizon Adult Health, a Kentucky-based company, can help through a range of services for aging Kentuckians and support for their families: **adult day centers, in-home care and case management.**

Horizon has worked with more than 3,000 families to ensure their loved one is secure and healthy while bringing relief to caregivers. For more information, contact us today!
