The Monroe County Falcons defeated the Cumberland County Panthers 59-50 on senior night

last week. Both the girls' and boys' basketball teams triumphed over Cumberland County.

That Falcons' win was their tenth of the season. On Valentines night,

MCHS lost to Clinton County, also a home game, 49-38.

That's one-win shy of last year's total of 11 wins

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
