You have a funny way of looking at things sometimes, Gemini. That can work to your advantage in providing a fresh perspective that others may overlook.

**CANCER - June 22/July 22**

Cancer, when you are approached with a potential career opportunity, do not immediately dismiss it. It may not be the right time currently, but take inventory of your future goals.

A failure to recognize all sides of the equation could put you into an unfortunate situation, Libra. Do not assume that your perspective is the right one; do your research carefully.

Scorpio, just when you think you have everything figured out, something changes. Just because you don't have the rule book doesn't mean you can't plot a course.

Devote more of your attention to family matters in the days to come, Sagittarius. Work may seem all-consuming, but home is where your heart is.

**CAPRICORN - Dec 22/Jan 20**

Fun times are just around the corner, Capricorn. You must have the patience to get there. Put some social events on your calendar so you have something to forward to.

**AQUARIUS - Jan 21/Feb 18**

Before you give up on an idea, run it by some trusted confidantes, Aquarius. You may be missing just one detail that can make this a recipe for ultimate success.
