PRESS RELEASE

Upon the recommendation of Governor Andy Beshear, the Lake Cumberland Area Development District will be temporarily closing its Senior Citizens Centers for meals and activities served within the Centers. Anyone that receives home delivered meals will continue to receive those in the same manner. Those that are transported to the center will begin receiving home delivered meals. Those that drive to the center, meals will be prepared and available with a time designated for pickup of the meals. Staff will be available to deliver the meals to your vehicle.

We ask for your support as we work through this by assuring the health and safety of our seniors while still providing the services that are needed.

Update: Gov. Beshear has recommended that KY schools close in-person classes for 2 weeks, beginning Monday (March 16). In response to this request, Russell Co. Schools will be closed for students March 16-27-this will be NTI days. Students are encouraged to be at school Friday.

Russell County Schools Food Service

Russell County Schools Food Service will be offering lunch for students from 11:00-12:00 Monday - Friday at each of our schools (JES, SES, RSES, RCMS, and RCHS). This will begin on Monday, March 16th and continue until school is back in session. If you are unable to come by one of our schools to pick up lunch for your children or if you need assistance in getting lunch to your children, please contact your school and we will make arrangements for delivery. Russell County Food Service will be working closely with each school's administration, Family Resource Centers and Youth Service Centers to make sure our students are taken care of during this unexpected time out of school. In addition to lunch, a breakfast bag will also be included for the next morning. If you have students enrolled in multiple schools, you may pick up all meals at one of your children's schools. For more information, please contact Keith Emerson (Food Service Director) at 270-866-6300. Listed below are the contacts for each school if you need assistance/delivery. We have also listed the designated location at each school for you to drive through and pick up the meals. Students will not be eating on campus.
