RUSSELL COUNTY FOOD SERVICE COVID-19 MEAL PICK UP AND DELIVERY UPDATE (Effective Monday, April 6th)

Russell County Parents, Starting on Monday, April 6th, we will be offering pick up at 3 locations instead of 5. These locations will be at Salem, Jamestown and Russell County High School. If you have been picking up meals at Russell Springs Elementary or the Russell County Middle School, you will need to go to one of the other locations. The time for picking up meals will be the same from 11:00-12:00. We will also be delivering meals only on Monday and Wednesday but will include extra meals to cover for Tuesday, Thursday and Friday.

In order for our school district to maintain a meal service plan that will be sustainable over an extended period of time, we believed modifications to our current plan were necessary. The safety and well-being of our families, cafeteria staff and those delivering the meals is our top priority. The CDC has given guidance on groups of individuals that are more at risk for having complications with the Covid-19 and we are taking this into careful consideration with the decisions we make. Reducing the number of locations for meal service will help us with cafeteria staffing concerns as we move forward. By decreasing the number of delivery days, we will be improving social distancing efforts and reduce the chance of exposure not only to our families but also to our delivery workers. As a reminder, when deliver workers drop off your meals, please keep in mind to practice social distancing.

Thank you for being understanding with the changes made to our meal service plan during these difficult times. We would like to encourage you to continue coming to one of our designated locations for meal pick up. If for some reason you are absolutely unable to come to one of these locations and your family is needing assistance, please call your school and we will do our best to help you. **We will keep you updated if any additional changes become necessary to our meal program during the Covid-19 pandemic.**

Please refer to the chart below for designated time and locations for pick-up and delivery.

School / Designated Pick-Up Area	Monday	Tuesday	Wednesday	Thursday	Friday
11:00-12:00 Jamestown	✓	✓	✓	✓	✓
(Back door leading into cafeteria)	✓	✓	✓	✓	✓
Salem	✓	✓	✓	✓	✓
(Cafeteria door coming in from patio)	✓	✓	✓	✓	✓
Russell County High School (Front entrance)	✓	✓	✓	✓	✓

New Charity, Medicaid Scams Related to COVID-19 Pandemic

Attorney General Daniel Cameron today warned Kentuckians of new charity and Medicaid scams related to the novel coronavirus (COVID-19) and shared best practices to avoid the financial loss associated with these scams.

"During this health crisis, we strongly encourage Kentuckians to thoroughly vet any charities that solicit donations for COVID-19 relief work to ensure donations will truly be used to help those in need," said Attorney General Daniel Cameron. "We also urge Medicaid beneficiaries to be suspicious of anyone requesting personal information or payment in exchange for COVID-19 tests, as testing must be approved by a healthcare professional."

To profit from the generosity of Kentuckians, scammers may impersonate charities by requesting funds or gift cards to assist victims of the COVID-19 pandemic, including families, small businesses, and COVID-19 patients. Suspected charity scams related to COVID-19 can be reported to the Attorney General's online scam reporting form or by calling the Consumer Protection Hotline at 1-888-432-9257.

To avoid COVID-19 charity scams, consumers should:

- Deflect attempts of telemarketers to rush or pressure you into donating to a nonprofit, charity, or fundraiser related to COVID-19. Before making a donation, research the charity to verify its legitimacy. Visit the Office of the Attorney General's Tips on Charitable Giving for a list of questions to ask when solicited.
- Do not make donations in cash, gift cards, or money wires.
- Some Kentucky charities are required to register and report donations with the Office of the Attorney General. Visit our website for a list of charitable organizations and active charitable campaigns in Kentucky.
- Donate to charities you already know and trust, and, when possible, donate using the charity's website rather than a social media or crowd-funding page.

Scammers may also take advantage of the circumstances surrounding the COVID-19 health crisis to request personal information or payment from Medicaid beneficiaries in exchange for the promise of COVID-19 tests. These scams can occur via phone, social media posts, or door-to-door visits.

Medicaid beneficiaries who suspect fraud related to COVID-19 should collect as much information as possible from the scammer, including their name and phone number, and report the scam to the Attorney General's Office of Medicaid Fraud and Abuse Control Hotline at 1-877-ABUSE TIP (1-877-228-7384.)

To avoid COVID-19 Medicaid scams, consumers should:

- Be cautious of unsolicited requests for Medicaid numbers.
- Be suspicious of any unexpected calls or visitors offering COVID-19 tests or supplies. If your personal information is compromised, it could be used in other fraud schemes.
- Ignore offers or advertisements for COVID-19 testing or treatments.
- Contact your physician or other trusted healthcare provider if COVID-19 testing is needed. The Commonwealth's COVID-19 website provides information on when to seek care for COVID-19.
