

JES Panthers

Cheyenne Poppowell
The Times Journal

Look at JES Panthers students and staff. They are wearing their favorite JES Shirt and made signs saying, "We will get through this together!"

Mrs. Beekie Godby, the librarian at JES has added music and created a video with all the submitted pictures, also will the hashtags #teamkentucky, #healthyathome and #JESRocks.

The students, staff and community are watching Governor Beshear updates daily and hoping to see the video! Fingers crossed Russell County for all these kids!

3rd Grade Teachers are missing their kids.
