## 4-H Forestry Club starting soon

Kentucky has an extremely diverse forest system with 48 percent of the state being covered in forestland. Most of these lands are owned by private landowners, families like here in our community. Green County 4-H is considering the creation of a Forestry Club for interested youth. Youth will learn about trees and the habitats they provide to wildlife.

Meetings are being planned monthly in person at the 4-H office and possible field trip sites. Some of the meetings will focus on 4-H fair exhibits like leaf prints and leaf collections.

We are planning for the club meetings to be held on early school release Fridays, once a month with meetings ending by 4 p.m. The starting date will be shared with those who register by the deadline.

To register, scan the QR code with your phone's camera to load the registration site or visit the Green County 4-H website and complete

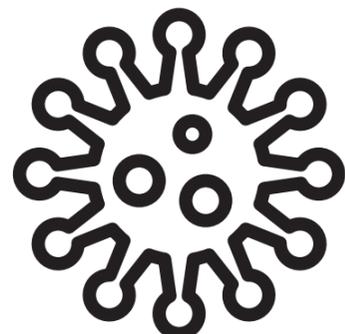

the short six-question registration form.

The deadline to register is October 23.
