

## What is ELDER LAW ?

Elder Law is a specialized area of legal practice, covering estate planning, wills, trusts, arrangements for care, social security and retirement benefits, healthcare, long term care, Medicare/Medicaid, guardianships and protection against elder abuse (physical, emotional and financial). Unlike Estate planning which focuses on carrying out your wishes after you pass on, Elder Law also seeks to protect your assets for use while you are still living.

## HOW CAN WE HELP?
