I'm crazy about my vet!

## Working With Animals and Pets

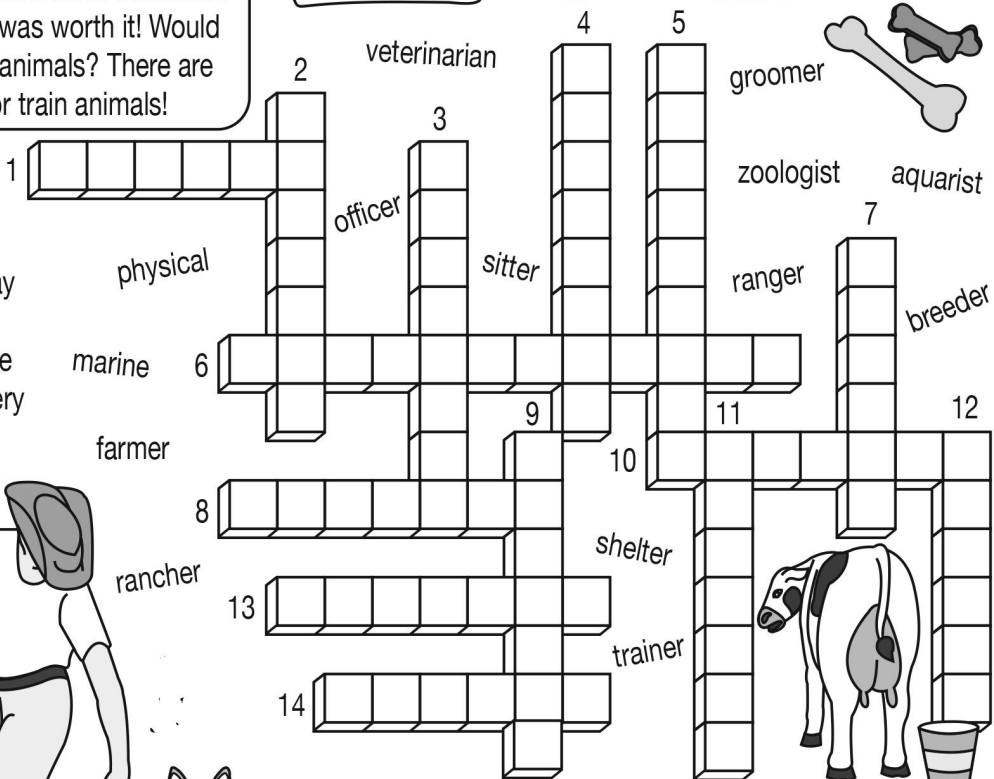

Celebrating Labor Day

I'm just crazy about my job. As a veterinarian I get to work with many different animals. It took a lot of education and hard work to become a vet, but it was worth it! Would you like to have a career working with animals? There are lots of jobs in which you can care for or train animals!

Read the clues below to fill in the puzzle with jobs in which people work with animals:

- pet \_\_\_\_\_ - cares for your pets and walks them while you're away
- shampoos, trims and shapes fur, and clips animal's nails
- cares for sea life; jumps into tanks to clean them; keeps the water safe
- \_\_\_\_\_ therapist - helps to get animals up and moving after surgery
- cares for a wide variety of land animals for our entertainment and education; cleans cages; feeds any animals within his or her care
- doctor who specializes in medicine and care for animals
- \_\_\_\_\_ biologist - works in the lab and on the ocean; names and classifies the animals in the seas
- \_\_\_\_\_ worker - rescues animals that are sick or abandoned; helps to find them new, loving homes
- helps animals have babies safely; keeps the whole family healthy; sells the babies to people looking for pets
- uses praise and treats to teach animals behaviors
- maintains land for livestock to graze; uses herding dogs to make sure livestock is guided and kept safe
- park \_\_\_\_\_ - watches over the country's national parks; enforces the laws in the parks; watches for forest fires
- K-9 \_\_\_\_\_ - trains police dogs to help sniff out trouble

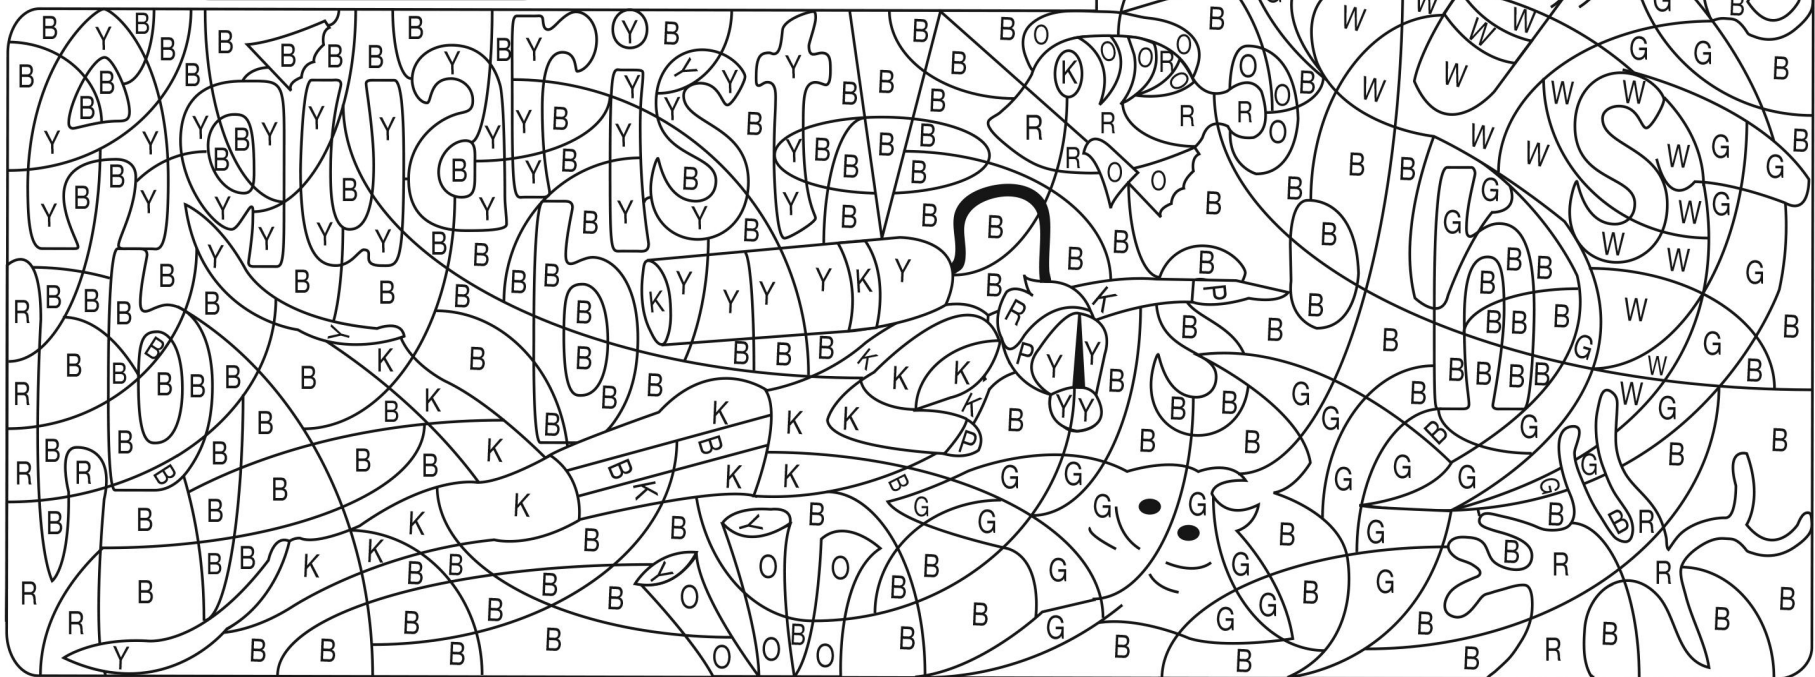

14. has lots of animals to help keep his property running smoothly: roosters and hens, cows, horses, others

Grab your colored pencils. Follow the color code to see who is hidden in my puzzle. This is a very cool job!

## Who Am I?

- B = Blue
- G = Gray
- K = Black
- P = Peach
- O = Orange
- R = Red
- W = White
- Y = Yellow

Animals help people do their jobs every day.

Match the clues to the area of service that the animals work in:

## How Do Animals Help Us At Work?

- Some dogs are trained to help blind people cross busy streets.
- Sheepdogs are trained to keep sheep in fields or where they need to be.
- In Thailand, trained monkeys climb high into trees to gather coconuts.
- People in the Middle East may ride camels in the desert.
- Dolphins and seals have been trained to do flips and tricks.
- Greyhounds bolt around a track. Pigeons fly on a set path and return home quickly.
- Dogs trained to guard homes can scare away intruders with loud barking.
- Mules help people bring all their goods to market.
- St. Bernard dogs are herding dogs. They are able to help find people lost in the snow.
