Food Drive Helps St. Theresa's Social Services and Pantry

Saturday Oct. 17, Jack Nettis pulled into the Village Car Wash in Spanish Springs with St. Theresa's panel truck and met members of The Rotary Club of The Villages Evening.

"The Rotary Food Drive is a multi club effort to collect food for various

pantries in need in Marion, Sumter and Lake counties," according to the club Food Drive chair, Susan Bodenner.

This was the second time that the club worked with the pantry located in Belleview. Nettis has been instrumental in helping the

club see the various needs in the community Summerfield and northwest of The Villages.

Villagers came by car and golf cart to drop off donations of food. "I left the parking lot of Village Car Wash with enough food to serve our clients

for 8 days, maybe longer. This was a very successful drive," stated Nettis "and this new partnership is very helpful."

The next Rotary Food Drive will be held Jan 9, 2021 at the same location, Village Car Wash, Spanish Springs.
