Colts Too Tough To Tame

By Jason Waldron

The Lake Weir Hurricane's were looking for win #2 on this challenging season and North Marion having not won a game all year looked ripe for the picking.

The Colts came out firing driving the field on their first possession for the TD.

Lake Weir looked to answer but the Colts defense was swarming and forced the Canes to punt.

North Marion took control and ran out 46 points in front of the stunned home Lake Weir crowd.

The Canes just couldn't find the end zone all evening until the final few seconds when they hit on a deep pass as time expired.

Lake Weir looks to bounce back Friday as they head up to north Ocala to take on the Vanguard Knights.

Hitting A Pass
