

# Evening Rotary Helps Food Pantries

Rotary Club of The Villages Evening has had a Rotary Interact Club at South Sumter High School in Bushnell since 2015. President Gay Ratcliff Seamens decided to explore the food pantries that serves that area. She and Karl Keri, club liaison for the Interact Club, decided to visit following a call that described the pantry under stress.

Tammy Jolly welcomed the two Rotarians and gave a tour and information about how they serve 2000-2500 Bushnell area residents each month.

“HOPE distributes twice each month and the next date is Wed Dec. 16 from 9am-noon. It’s hard to imagine how they will have these shelves filled and ready for so many people in need,” states Ratcliff-Seamens. Karl Keri added “as a villager I was not familiar with this rural community. All the food pantries need help, especially this one.” This month the Evening Rotary Club was able to donate \$1000 each to the Bushnell food pantry, Christian Food Pantry, St. Vincent de Paul/St. Timothy’s The Villages, St. Theresa’s in Belleview food pantry, Hope Food Pantry of Wiersdale and \$700 to Village View Church food pantry. The last three serving Summerfield and surrounding area which is home to the students of another club focus, Harbour View Elementary School of Marion Public Schools.
