the nation because we raised expectations for what they can accomplish. Teachers, school leaders, parents and students are to be commended for their hard work and commitment to excellence.”

The Mississippi State Board of Education’s and MDE’s priorities for 2020 and beyond include maintaining high academic standards that will prepare all students for college and careers, strengthening the state’s early childhood education infrastructure, continuing to help make teachers and school leaders more effective, making data-driven decisions to raise student achievement and close achievement gaps, and improving low-performing schools.
