cultural producers by providing skilled labor. Mississippi National Guardsmen and agricultural producers who are interested can visit the "Mississippi Farm Corps" Facebook page to learn more about this new program. More information about the FARM Corps can be found on the Mississippi FARM Corps website. The website is ready to be used by agricultural producers to apply for employees, guardsmen to apply for work, and to locate a list of available jobs.

Background: The COVstrict travel restrictions at a time when America's agricultural producers are both planting fall crops and harvesting summer crops. As a result, many farmers are experiencing large labor shortages in areas where they typically use foreign labor through the H-2A visa pro-

## Pandemic unemployment assistance available for the State of Mississippi major support for a house-**Press Release**

Individuals residing in Mississippi, who were unable to work because of the COVID-19 public health emergency may apply for Pandemic Unemployment Assistance (PUA), the Mississippi Department of Employment Security (MDES) that was announced in April.

People who live or work in Mississippi and could not work as a "direct result" of the pandemic that occurred February 2, 2020 and ongoing, are entitled to apply and may be eligible to receive PUA.

Self-employed individuals, independent contractors, persons employed by a church or religious entity, employees of non-profit organizations, gig economy workers, those who do not have sufficient wages in covered employment during the last 18 under regular unemployment compensation, and those who became unemployed or partially unemployed as a result of the pandemic, may be eligible for PUA. Persons eligible to ap-

ply for PUA are individuals who: (1) have been diagnosed with COVID-19 or, are experiencing symptoms of COVID-19 and are seeking a medical diagnosis; (2) became the breadwinner or Mississippi, a non-profit,

conservation organization founded to conserve, restore and enhance fish, wildlife and plant resources throughhold because the head of the household has died as a direct result of COVID-19; (3) quit his or her job as a direct result of COVID-19; (4) their place of employment is closed as a direct result of the COVID-19 public health emergency; (5) have a member of their household that has been diagnosed with COVID-19; (6) is providing care for a family member or a member of their household who has been diagnosed with COVID-19; (7) has a child or other person in the household for which they have primary caregiving responsibility that is unable to attend school or another facility closed as a direct result of the COVID-19 public health emergency and such school or facility care is required for the individual to work; (8) is unable to reach the place of employment because of a quarantine imposed as a direct result of the COVID-19 public health emergency; (9) was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the COVID-19 public health emergency, and; (10) is unable to reach the place of employment because the individual has been advised by a health care provider to self-quarantine due to con-
