The Clinton Christian Academy's boys' and girls' basketball teams have reached the mid-point of the season as two of the best teams in all of MAIS. Both teams are currently ranked number two in AAA.

The varsity boys have a record of thirteen and one, and the varsity girls are twelve and one. Coach Josh Zeitz challenged his teams with one of the most difficult schedules in the state, and he says the kids have exceeded his expectations. Most recently, the teams combined to go four and zero at the Copenh Christmas tournament. CCA was the only small school at the event, yet the kids defeated schools twice their size.

The Clinton Christian boys are led by ninth grader KJ Sykes and eighth grader Kari Hamilton. Sykes leads the team in scoring at seventeen a game and dishes out five assists per game. Hamilton contributes 16.5 points and leads the team in rebounding at nine per contest. Senior Collin Stepp leads CCA in three pointers made while averaging eleven points a game. Devin Brown and Devin Collins anchor the Warriors press and are always ready to knock down a three pointer. Junior Noah Murray leads the team in deflections, timely scoring and grabs seven rebound a game. Ten of the team's thirteen wins have

Junior Iris Farve leads the squad in scoring at sixteen a game and rebounds with eight. Grace Murray is second on the team in steals and grabs six rebounds per contest. Han-
