

# Main Street salutes our 2020 Sponsors and Supporters

*Thank you for your support!*

## Salute to 2020 Supporters and Sponsors

We want to extend a huge thank you to all of our sponsors and members for 2020. Thank you so much for supporting Main Street Clinton as we walked through a year of unknowns. It is through your contributions that we are able to host fun events, decorate downtown for the holidays, and help make Clinton a place people want to visit and live. We hope that you can see Main Street's fingerprint as you look around the Olde Towne and Boulevard districts and also know that because of your support, your fingerprint is there, too. We are hopeful as we look forward to 2021. Whatever this new year brings, we are thankful that we have a community of friends and family that are on the Main Street team.
