COVID-19

COVID-19 Response Initiative launched on Volunteer Wisconsin website

From United Way of Wisconsin

As COVID-19 cases continue to increase in Wisconsin, significant community needs are developing in response to individuals having to self-quarantine and practice social distancing and the closure of schools, businesses, and other community resources.

To connect potential volunteers and organizations addressing these pressing concerns, the United Way of Wisconsin, Serve Wisconsin, and the Wisconsin Volunteer Coordinators Association created the COVID-19 Response Initiative on the Volunteer Wisconsin website.

“Many of the needs that communities across our state are currently facing and those that will arise in the coming weeks will require the assistance of volunteers to help provide critical services, such as food distribution, supplementing staff at medical or care facilities, services for children, and transportation to essential medical visits,” said Charlene Mouille, Executive Director of United Way of Wisconsin.

The Volunteer Wisconsin website will provide a centralized location for organizations throughout the state to post information on projects addressing these needs and for people interested in helping others search for COVID-19 response projects in their local communities,” said Jeanne Duffy, Executive Director of Serve Wisconsin.

The COVID-19 Response Initiative can be found on the Volunteer Wisconsin website at www.volunteerwisconsin.org.

NEWS

WPA cancels regional meetings

From the Wisconsin Pork Association

WPA has canceled the regional meetings scheduled for March 23, 24, 25 and 30 in an effort to protect families from COVID-19. WPA members are encouraged to read the weekly Pork Express for additional updates as they become available.

WPA urges everyone to distance themselves from unnecessary activity and follow simple steps to prevent illness and avoid exposure. The steps include:

- Avoiding social gatherings with people of all ages
- Frequent and thorough hand washing with soap and water
- Covering coughs and sneezes
- Avoiding touching your face
- Staying home when sick

If you have any questions regarding this issue or any other concerns, please contact the WPA office at 608-723-7551 or emailing wppa@wppa.org.
