Iberia comes from behind to defeat Dixon in Frisco baseball tourney semifinal

Dixon led Iberia until the bottom of the 6th inning, but the Rangers rallied to score four runs in both the fifth and sixth innings to come from behind and defeat the Bulldogs 9-7 in the semifinals of the Frisco League Baseball Tournament, Friday, September 11.

Coach Alex Shelton stated, "Any time you have a lead late, you need to be able to finish and we could not get the job done tonight. Despite the tough loss late, I was extremely proud of how well our team competed and battled. After losing to Iberia two weeks ago 9-0, we gave them all they could handle tonight. I think this shows the progress we are making as a team. Even though we are a very young group this year, we are working hard and improving tremendously every day."

Dixon's Clayton Sinden pitched the final two innings and was handed the loss. He gave up four runs (only one earned) on two hits, struck out three and walked two.
