

STEM Day Camp to be held in Laona

The Samoset Council will be running a STEM Day Camp on July 27 from 8:30 a.m. - 4 p.m. at the Silver Lake Pavilion in Laona. Please join us for fun, hands on experiments exploring science, technology, engineering, and math. The event is open to the public but registration is required. All youth going into grades 3rd-6th are invited to attend.

There are brand new activities this summer and the Vortex, the mobile STEM laboratory will be back. There will be local STEM professionals volunteering and sharing their knowledge. There will be precautions in place to keep everyone safe at the event including social distancing, masks, cleaning all surfaces and equipment, hand sanitizer, and limiting group size. To participate please sign up at: Samoset.org/stem. There are scholarships available when you register online. If you have questions, please contact Amanda Flannery at stem-scouts@samoset.org or (715) 409-6690.
