Congratulations

Class of

Kayde 2020

Time has flown by so quickly. Nana and Pop Pop want to thank you for all the memories whether it be covered in dust behind a catchers mask on the softball field or turning into a magical Princess, earning a crown in a Beauty Revue, from our “hot mess” first Granddaughter to an amazing young woman. What an example you have been to our other Granddaughters that have gotten to watch you blossom and fly. Our prayer for you is to continue to strive and succeed, meanwhile, remembering your roots. Your accomplishments do not surprise us, as you have always shown us “where there is a will, there is a way”, and what a strong willed little being you are. We will continue to support you on the next chapter you are writing. We love you Bug and can't wait to see where else you take us!

Nana & Pop Pop

Congratulations to my first Great Granddaughter!

I'm so proud of you and your accomplishments!

Love, Gaga
