Kindred Hospice patient Jean Allen uses her sewing skills to help others

Kindred Hospice patient and Lake Seminole resident Jean Allen is giving back to the community.

She spends her time during the day making mastectomy pouches that are designed to hold drain cups from surgical incisions.

After having a mastectomy in 2005 she realized that a soft and simple pouch was what she

needed, so she designed her own pouch, and now she is making one for everyone who needs one. The material used in the construction of the pouches is donated by her Sunday School Class and members of the community.

Mrs. Allen stated in her own words, "My goal is to create and deliver at least 700 before I leave this world."

Chamber shines its spotlight on downtown's Jill's Corner Bistro and Supper Club

The Donalsonville-Seminole County Chamber of Commerce shines its spotlight this week on Jill's Corner Bistro and Supper Club.

Jill and Kenny Miley and their wonderful staff have been serving delicious sandwiches, salads and desserts for several years now; we all love lunch from

Jill's! They also offer Jill's Supper Club which makes life much easier for working folks, allowing anyone to call in and order and then just run by, pick up a pre-made meal, pop it in the oven when you get home, and sit down with the family for a home cooked meal.

Located on the corner of Wiley Av-

enue and Second Street, Jill's is a part of Donalsonville's downtown family. To place an order for lunch or dinner call Jill's Corner Bistro at 229-524-1412.

If you are interested in joining the Chamber of Commerce, or having your business spotlighted, contact Sarah or Kadie at 229-524-2588.
