**A CHALLENGE** - Gideon Bible guest speaker Jerry Barker issues a challenge for SGC graduates to read their bibles. "This little book that you've got, if you're already reading it, keep reading it," Barker said. "If you're not reading it, and you're willing to store it, go ahead and do that ... keep it, stick it in a drawer, stick it on a nightstand, but don't forget where you put it. At some point in your life, you may want to turn to it and look in these pages and see what God has to say about your certain situation." Photo by Caleb Revill.

**CONGRATULATIONS!**  
 As you turn the page to the next chapter, the future is yours to write. Fill it with new experiences, good people and rewarding choices that help make the world a better place.
