

The Goldthwaite City Park offers a place to play, picnic, relax, or simply enjoy year-round. The playground, swimming pool and beautiful pecan trees offer a friendly setting for the whole family.

Goldthwaite City Park

Goldthwaite City Park is fairly large and quite beautiful. Several of the Chamber of Commerce’s events take place in the City Park. There are picnic tables, BBQs, restrooms, playgrounds for the kids, volleyball and basketball areas that are lighted, two covered pavilions, a covered stage, and a large city pool. It is a great spot for family reunions or family day get-togethers.

The Goldthwaite City Pool is right in the heart of the City Park. Great for those lazy-hazy days of summer and activities for the kids (of all ages)! Have your child’s next birthday party there.

The City Park also has free wireless internet service for your convenience, provided by Central Texas Communications.

Even in winter, the park is wonderful, thanks to the efforts of several locals who decided to show their Christmas spirit by decorating the park through the holidays with dozens of illuminated displays.

Call the City of Goldthwaite for information on hours of operation, 325-648-3186.
