

# THE GOLDTHWAITE EAGLE “Trophy Room”

**GEESLIN BAGS BIG BUCK** — Anissa Geeslin, guided by her husband, Michael, shot this big buck on Oct. 12, 2020 at 20 yards at a feeder with her PSE crossbow at the Geeslin ranch north of town. They had seen it on trail cams and it came out finally in daylight. Michael said he wasn't guiding so to speak; he was just sitting in a rifle blind watching about 75 yards away. "I saw it coming long before she did, and I had a bigger case of buck fever than she did!" he said.

Judd Graves bagged this unique "wired up" buck on opening day of rifle season last year. The buck had tangled his antlers in wire, making for a memorable trophy.

Ridge Stegemoller downed this heavy, wide Mills County buck during Youth Only Rifle Season last year. Ridge is the son of Cody and Jhenissa Stegemoller. He is now a junior at Goldthwaite High School.

**ACHEE TAKES 10-POINT** — Randy Hoyer's son-in-law, Zane Achee, shot this nice buck using his bow this past weekend on Mr. Hoyer's father's ranch just South of Goldthwaite, Triple H Ranch. The buck had 10 pts, scored 140 2/8, was aged 5 1/2 years old, and weighed 160 lbs on the hoof, 128 lbs field dressed.

Tai Gentsch bagged his first buck last week, this big old ten point. Tai took the buck down with a single shot from a custom 1893 Mauser chambered in 300 Savage at a distance of 75 yards. Tai is a ninth grader at Goldthwaite Middle School. Way to go, Tai!

Jhenna Stegemoller bagged this heavy buck on opening day last season near Priddy in Mills County. Jhenna is the daughter of Cody and Jhenissa Stegemoller of Priddy. Way to go Jhenna!
