Future First Graders from Leakesville
Elementary School

I want to be a 12th grade school teacher because learning is so much fun and I enjoy teaching my baby brother and sister. I choose the 12th grade because it's the last grade. My super power is a Mermaid so I could breath under water and swim with the dolphins. My favorite things about school are Gymnastics at break with my friends, playing with play dough in the classroom and any arts and crafts projects. I also love homework when we have to color. I don't know what is in first grade or what to expect so its all exciting. I can't wait.

CHLOE GILL

I want to be a cop because they help people.

BRAYDEN DEARMAN

I want to be a cop to arrest bad guys. My super power is to be in a police helicopter. My favorite thing about school is making friends and playing on the monkey bars.

CASE DAVIS

I want to be a hair stylist because I want to color hair like Alex. I'm most excited about moving to first grade because I think I'm ready.

BRAYLEE LOWE

I want to be a vet, animal doctor because I love animals and want to help them. My super power is to talk to animals so I would know how they feel. My favorite thing about school is nap time and I don't want to go to first grade if they don't have nap time.

BLAKLEY JEAN TAYLOR

I want to be a cop because I want to get the bad guys. My super power is to be able to control things with my mind because it would be fun.

DAYLEE CONE

I want to be an artist because I enjoy drawing and colors. My super power would be speed, I like to be fast. My favorite thing about school is learning, meeting friends and seeing all the nice teachers.

ALI'YANA A. WILSON

I want to work at Performance like my daddy because it is fun! My super power is I want to be like flash with super power because it makes you run fast. My favorite thing about school is to go outside and play.

BARRY DIXON

I want to be a cop because you can arrest people. My super power is fire breathing because you can make fire with it. Recess is my favorite thing about school because we get to play. I'm most excited to move to the first grade because it's harder numbers and I like the harder numbers.

TRISTEN ERKHART

I want to be a mechanic because I like fixing on things. My super power is to be really strong so that I could pick up cars. My favorite thing about school is doing computer work, writing and learning new things for first grade.
