Zayne MacCrae Robertson

Zayne Robertson is the perfect gentleman. He has the big smile and even bigger heart. Zayne has a genuine passion for helping others. Through organizations like FFA and Skills USA, Zayne has developed incredible leadership skills. Through opportunities afforded by Greene County's vocational programs, Zayne has been representing GCHS in numerous capacities. He has a personality that is contagious and has the ability to entertain others with his charisma. We are fortunate to have been able to watch

Zayne grow and use his unique talents and abilities over the last four years.

Daniel Rylie Turner

Rylie Turner has been a Wildcat since before he could walk or talk. He has spent a lot of time within the walls of Greene County High School. His mark on Greene County High School began long before he was an official student. He has spent the majority of his time at GCHS on the soccer field or in the Robotics lab where he has flown the drone and recorded many events for GCHS. Rylie's

ambition to always represent GCHS to the highest caliber has afforded him many opportunities. While at GCHS, Rylie has been a member of WILDPAT, Beta, FFA, Skills USA and the football team, to name a few. He has earned his spot as a member of the Hall of Fame, and we are extremely proud of all his accomplishments.

Graceanne Elizabeth Walters

Tradition and excellence are always major themes within Greene County High School. Graceanne Walters is an example of both. She has cheered her way into the hearts of her GCHS family, and she is

well respected by both teachers and students. Both of Graceanne's siblings have preceded her in being inducted into the Hall of Fame. Creating a family atmosphere has always been a major goal of Wildcat Nation. With students like Graceanne, this is an easy task. She has represented us with excellence both academically and within student organizations throughout her time at GCHS. Wildcat Nation will not be the same without Graceanne.

Anna Katherine Wood

Anna Kathrine Wood has been an Ambassador for Greene County High School throughout her time

on campus. She is the face and voice of the student body in the front office. We have never had to wonder where her loyalties lie because she is Wildcat through and through. Whenever anyone (a student or staff member) needs anything... Anna Kate is the answer. She spends hours every day answering the phones, running copies, collecting absentees, and making sure things are running smoothly. Since arriving at GCHS, Anna Kate has been a mem-

ber of the dance team, cheer team, yearbook staff, Beta Club, FCS, homecoming committee, pageant committee, and numerous other student organizations as well. Her heavy involvement on campus has never stopped her from performing well in her classes. Anna Kate is a great example of the reward of hard work, determination, and class. We have loved the time Anna Kate has been on campus, and we are going to miss her more than we probably know.
