KARE will collect pantry items and monetary donations on February 7

KARE will collect pantry items and monetary donations on February 7 from 12-1pm behind the facility at 208 E. Marion Street. Volunteers will be on hand to collect items from cars in a contactless, socially distanced manner. All donations are kept local and will assist KARE in tackling our neighbors' hunger. Traditionally, Souper Bowl of Caring is adopted by area churches and they hold collections on Sunday mornings. With COVID forcing many of our area congregations to meet virtually, KARE is anticipating a potential impact on donations. A donation button has been added to the KARE homepage, www.kershawkare.org, to make monetary donations a simple process. Funds collected through that outlet will be applied to Souper Bowl of Caring and will be used to purchase food items for distribution. Please consider participating in this special event! Email marketing@kershawkare.org with any questions.

Andrew Jackson Middle School Suffers Staff Shortage

January 12, 2021

Dear Parents/ Guardians,
At this time, Andrew Jackson Middle School is experiencing a severe shortage of faculty and staff due to COVID-19. Because we are so short-staffed, it limits our ability to respond to possible emergencies that may arise and the coverage of classes. To ensure our students and staff are as safe as possible, we are transitioning to an online learning model for all AJMS students until January 25, 2021. All instruction will be virtual through January 25, 2021, and all students will be required to access their classes via Google Meet. Teachers will be sending out the links and additional information via their Google Classrooms today. A-Day students will resume face-to-face instruction on Monday, January 25, 2021. B-Day students will resume face-to-face instruction on Wednesday, January 27, 2021. Lunches will be available for pick-up on Fridays from 11:00 am-1:00 pm to students enrolled at Andrew Jackson Middle School ONLY. All athletic contests and practices will be postponed beginning today and may resume on January 25th. As always, the safety of our students and staff is paramount. Thank you for your understanding and for your unwavering support of Andrew Jackson Middle School. If you should have any questions or concerns, please contact me at chris.timmons@lcsd.k12.sc.us.

Sincerely,

Chris Timmons

Principal, Andrew Jackson Middle School

A phone number is also being developed for those who may not have access to the internet. When that number is available, you will be notified. In the interim, individuals may also call the DHEC Care Line at 855-472-3432.

Kirkley to serve as Blaney Elementary's interim principal

Blaney Elementary School Assistant Principal Nicole Kirkley will serve as the school's interim principal as current Principal Sherrill Creel has accepted a position with the

Sumter School District.

"I've been blessed to be a part of the Blaney family and look forward to this opportunity to serve as interim principal," Kirkley said. "With a wonderful staff and awesome students, Blaney is a great place to be."

Raised in Elgin, Kirkley was a student at Blaney Elementary in the 1990s and graduated from Lugoff-Elgin High School.

Prior to joining Blaney's staff in 2019, Kirkley was an assistant principal at Camden

Middle School for three years and served as an assistant administrator at Westwood High School for two years.

Kirkley received a Bachelor of Science degree in Middle Education from Winthrop University and also earned a Master of Education degree from the University of Phoenix.
